DEPUTY CLERK OF THE BOARD**ORDINANCE NO. 1493****AN ORDINANCE OF THE BOARD OF SUPERVISORS OF THE COUNTY OF YOLO
AMENDING CHAPTER 20 OF TITLE 5 OF THE YOLO COUNTY CODE REGARDING
MEDICAL MARIJUANA CULTIVATION**

The Board of Supervisors of the County of Yolo ordains as follows:

SECTION 1. Purpose

The purpose of this Ordinance is to amend Chapter 20 of Title 5 of the Yolo County Code regarding medical marijuana cultivation to do the following: provide clarity in definitions and consistency with state law, add processes for disciplinary action of licensees, allow relocation and colocation of licenses, revise the enforcement and abatement provisions, including increasing fines, providing for the licensing of nursery and processing facilities as part of a pilot program and adding a sunset provision automatically repealing the ordinance unless the Board of Supervisors submits a County tax on commercial marijuana activity to the voters on the June 2018 ballot and the voters approve the tax.

SECTION 2. Background and Findings

A. In 1996, the voters of the State of California approved Proposition 215 (codified as California Health and Safety Code section 11362.5 and titled the "Compassionate Use Act of 1996"), which decriminalized the use of medicinal marijuana in California; and

B. In 2004, Senate Bill 420 was enacted (codified as California Health and Safety Code section 11362.7 et seq. and titled the "Medical Marijuana Program Act") to clarify the scope of the Compassionate Use Act of 1996. The Medical Marijuana Program Act allows counties to adopt and enforce rules and regulations consistent with its provisions; and

C. In 2015, California enacted three bills—Assembly Bill 243 (Wood, Chapter 688 of the Statutes of 2015); Assembly Bill 266 (Bonta, Chapter 689 of the Statutes of 2015); and Senate Bill 643 (McGuire, Chapter 719 of the Statutes of 2015)—that collectively established a comprehensive state regulatory framework for the licensing and enforcement of cultivation, manufacturing, retail sale, transportation, storage, delivery and testing of medicinal marijuana in California. This regulatory scheme is known as the Medical Cannabis Regulation and Safety Act (MCRSA); and

D. On November 8, 2016, the voters of the State of California ("State") enacted Proposition 64, the Control, Regulate and Tax Adult Use of Marijuana Act ("AUMA"), which, subject to certain exceptions, generally established a comprehensive system to legalize, control, and regulate the cultivation, processing, manufacture, distribution, testing, and sale of recreational marijuana, including marijuana products, for use by adults 21 years and older, and to tax the commercial growth and retail sale of marijuana; and

E. In June 2017, the California Legislature passed Senate Bill 94, which effectively repealed MCRSA and incorporated certain provisions of MCRSA in the licensing provisions of AUMA. These consolidated provisions are now known as the Medicinal and Adult-Use Cannabis Regulation and Safety Act (MAUCRSA); and

F. Marijuana remains an illegal Schedule I controlled substance under federal law. The intent of MAUCRSA is to ensure a comprehensive regulatory system that takes production and sales of marijuana away from an illegal market and curtails the illegal diversion of marijuana from California into other states or countries; and

G. Pursuant to Article XI, section 7 of the California Constitution, the County of Yolo may adopt and enforce ordinances and regulations not in conflict with general laws to protect and promote the public health, safety, and welfare of its citizens; and

H. California's marijuana laws, the Compassionate Use Act, AUMA and MAUCRSA, each recognize and preserve the authority of cities and counties under Section 7 of Article XI of the California Constitution to regulate the cultivation of marijuana; and

I. On this basis, the County adopted the initial version of this Ordinance on March 22, 2016 and, subsequently, amended it on several occasions based on the following findings, which are restated herein (with minor updates and other changes) to support the adoption of this amendment:

1. Unregulated marijuana cultivation has been shown to involve avoidance of environmental laws and regulations and resulted in the pollution of waters and navigable waterways in the State of California. Unregulated marijuana cultivation can be harmful to the welfare of the surrounding community and its residents and constitute a public nuisance; and

2. Unregulated marijuana cultivation in the unincorporated areas of Yolo County can adversely affect the health, safety and well-being of the County, its residents and environment. Regulation of marijuana cultivation is proper and necessary to avoid the risks of criminal activity, degradation of the natural environment and offensive odor that may result from unregulated medicinal marijuana cultivation; and

3. The limited immunity from specified state marijuana laws provided by the Compassionate Use Act, AUMA and MAUCRSA does not confer the right to create or maintain a public nuisance. By adopting the regulations contained in this Chapter, the County will achieve a reduction in the harms caused or threatened by unregulated cultivation of marijuana in the unincorporated area of Yolo County and

4. It is the purpose and intent of this Ordinance to regulate the cultivation of marijuana intended exclusively for medical use in a way that is consistent with state law and which balances the needs of medical patients and their caregivers and promotes the health, safety, and welfare of the residents and businesses within the unincorporated area of Yolo County. This Ordinance is intended to prohibit the cultivation of marijuana by anyone for any purpose other than allowed within the strict compliance with local ordinances and applicable state law; and

5.Nothing in this Ordinance shall be deemed to conflict with federal law as contained in the Controlled Substances Act, 21 U.S.C. § 841 or to license any activity that is prohibited under said Act except as mandated by state law; and

6.Nothing in this Ordinance shall be construed to: (1) allow persons to engage in conduct that endangers others or causes a public nuisance; (2) allow the cultivation, sale or distribution of marijuana for non-medical purposes other than as expressly allowed by this Ordinance; or (3) allow any activity relating to the cultivation, distribution, or consumption of marijuana that is illegal under state or federal law; and

J. The County of Yolo intends this Ordinance to be a temporary ordinance, adopted to regulate medicinal marijuana on an interim basis while the County develops a land use-based process that would function as part of the Zoning Code.

SECTION 3. Chapter 20 of Title 5 of the Yolo County Code is deleted in its entirety and replaced with the following:

"MEDICAL MARIJUANA CULTIVATION"

Section 5-20.01 Purpose and Intent.

- A. It is the purpose and intent of this Chapter to regulate marijuana in a manner that is consistent with state law and that promotes the health, safety, and general welfare of the residents and businesses within the unincorporated territory of the County of Yolo by balancing: (1) the needs of medical patients and their caregivers for enhanced access to medical marijuana; (2) the needs of neighbors and communities to be protected from public safety and nuisance impacts of marijuana cultivation and related activities; and (3) the need to limit harmful environmental impacts that are sometimes associated with marijuana cultivation and related activities.

Further, nothing in this Chapter is intended, nor shall it be construed, to exempt the cultivation of marijuana as allowed under this Chapter from any and all applicable local and state construction, grading, electrical, plumbing, land use, water rights, waste water discharge, streambed alteration, or any other environmental, building or land use standards or permitting requirements.

This Chapter shall be interpreted to be compatible and consistent with federal, state, and county enactments and in furtherance of the public purposes which those enactments express. Section 5-20.11 Abatement Procedure.

A. Notice.

1. Whenever the Enforcing officer determines that a violation of this Chapter exists, he or she may issue a notice of violation and order to abate (“Notice”).
2. A Notice issued by the Enforcing officer shall be served as follows by either:
 - a. Delivering it personally to the owner or the occupant; or
 - b. By first class mail, postage pre-paid, addressed to (i) the owner at the address shown on the last equalized assessment roll or as otherwise known to the Enforcing officer, and (ii) to anyone known to the Enforcing officer to be in possession of the property at the street address of the property subject to the Notice, if the property is capable of receiving mail.
 - c. By overnight mail, addressed to (i) the owner at the address shown on the last equalized assessment roll or as otherwise known to the Enforcing officer, and (ii) to anyone known to the Enforcing officer to be in possession of the property at the street address of the property subject to the notice, if the property is capable of receiving mail.
3. Date of service shall be deemed to be the date of personal service, or five days after notice is deposited in the United States mail, or one day after notice is delivered to a location or deposited in a box maintained by an overnight delivery service.
4. In the event that, after reasonable effort, the Enforcing officer is unable to serve the Notice as set forth above, service shall be accomplished by posting a copy of such Notice conspicuously along the frontage of the real property subject to the Notice, or if the property has no frontage, upon any street, highway, or road then upon the portion of the property nearest to a street, highway, or road, or most likely to give actual notice to the owner and any person known by the Enforcing officer to be in possession of the property. Service shall be deemed to have been completed upon posting.

5. If the Notice is properly and timely served, the failure of any owner or occupant to receive such Notice shall not affect the validity of the proceedings conducted herein and shall not affect the validity of service or the validity of any administrative penalties imposed pursuant to this Chapter upon any other Person.
3. The Enforcing officer may record the Notice.
4. A Notice shall be in writing and include the following:
 - a. If known, identify the person(s) violating this Chapter, or in the case of property where the violation is occurring, identify the owner(s) as named in the records of the county assessor, and identify the occupant(s) if other than the owner(s) if known;
 - b. The approximate location of the violation;
 - c. A general description of the violation;
 - d. A statement that the unlawful marijuana cultivation must be abated within 72 hours after the date that the Notice is served;
 - e. That an Administrative Penalty will accrue for each day that the violation continues to exist after the expiration of the 72 hour period;
 - f. The date of service;
 - g. A statement that the violation determination may, within five calendar days after the date the Notice was served, be appealed by providing the Clerk of the Board of Supervisors with a request in writing for a hearing to appeal the determination of the Enforcing officer;
 - h. A statement that unless an appeal hearing is requested within the time prescribed in the Notice, the Enforcing officer will abate the nuisance at the expense of those determined by the Enforcing officer to have violated this Chapter. It shall also state that the Abatement Costs and the Administrative Penalty may be made a special assessment added to the county assessment roll and become a lien on the real property where the violation has occurred, on the real property owned by those persons violating this Chapter, or be placed on the unsecured roll.
- B. Absent timely appeal, the Notice shall be deemed final and conclusive and the Enforcing officer may enter upon the property and abate the nuisance by county personnel, or by private contractor under the direction of the Enforcing officer. The Enforcing officer may, but need not, apply to a court of competent jurisdiction for a warrant authorizing entry upon the property for purposes of undertaking the work, if necessary in the sole discretion of the Enforcing officer.

- C. If a violation is corrected pursuant to a Notice and the same conduct is committed within 45 days of correction, the violation will be deemed continuing and immediate fines will be incurred dating back to the date of original Notice.
- D. Upon the occurrence of three verified violations or hearing officer determinations of violation of any of the License requirements or standards issued to the owner or operator at any property or combination of properties of the same owner or operator within a two-year period, all Licenses for marijuana cultivation held by said owner or operator shall be automatically deemed nullified, voided and revoked. Upon revocation, an application to reestablish a marijuana cultivation operation at the subject property shall not be accepted for a minimum of two years.
- E. Administrative Hearing.
 - 1. In order to hear cases brought by the Enforcing officer under this Chapter, the Board of Supervisors authorizes the use of a hearing officer appointed pursuant to Yolo County Code section 1-5.09.
 - 2. The hearing officer shall hold an administrative hearing to determine whether the conditions existing on the property subject to the Notice constitute a violation under this Chapter. This hearing shall be held no more than ten calendar days after service of the Notice.
 - 3. The hearing officer may continue the appeal hearing from time to time for good cause.
 - 4. The hearing officer shall consider the matter de novo and determine whether:
 - a. The conditions existing on the property subject to the Notice constitute a nuisance under this Chapter; and
 - b. To impose, modify, or disapprove, in whole or in part, the proposed penalty set forth in the Notice.
 - 5. The owner(s) and/or occupant(s) of the property shall be given an opportunity at the hearing to present and elicit testimony (including by cross-examination) and other evidence regarding whether the conditions existing on the property constitute a violation of this Chapter, and/or to contest the proposed amount of administrative penalty. Failure of the owner(s) and/or occupant(s) to appear and present evidence at the hearing shall be deemed a withdrawal of the request for hearing and shall constitute a failure to exhaust administrative remedies.
 - 6. Any hearing conducted pursuant to this Chapter need not be conducted according to technical rules relating to evidence, witnesses and hearsay. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs regardless of the existence of any common law or statutory rule which might make improper the admission of the

evidence over objection in civil actions. The hearing officer has discretion to exclude evidence if its probative value is substantially outweighed by the probability that its admission will necessitate undue consumption of time.

7. The standard of proof shall be by a preponderance of the evidence and the burden of proof to establish the existence of the nuisance shall be borne by the Enforcing official. The burden of proof that the nuisance has been abated shall be borne by the owner(s) and/or occupant(s).
8. The hearing shall be conducted in the English language. The proponent of any testimony by a witness who does not proficiently speak the English language shall provide an interpreter, at its sole cost, who has been certified as an interpreter by either the State of California or the County of Yolo.
9. After the hearing, the hearing officer shall render his or her written decision affirming, reversing or modifying the determination made by the Enforcing officer about the alleged violation. If the violation is affirmed, the decision shall include a statement that the County is entitled to recover its Abatement Costs and Administrative Penalties. If the hearing officer determines that the violation continues to exist, the decision shall also order that the owner of the property, or persons known to be in possession of the property, abate the violation within a reasonable time, not to exceed two calendar days of the date of service of the hearing officer requiring such abatement.

A copy of the decision shall be served on the parties upon whom the Notice was served pursuant to Section 5-20.11(A)(2) and (3) or in the manner agreed upon by the parties. The decision shall be final and conclusive when signed by the hearing officer and served as provided by this paragraph.

Payment of Abatement Costs and an Administrative Penalty specified in the hearing officer's decision shall be made to the County within 20 calendar days of the decision, unless timely appealed to the Superior Court in accordance with Government Code section 53069.45, subdivision (b).

F. Enforcement of Abatement Order

1. Any owner or occupant may abate the nuisance or cause it to be abated at any time prior to commencement of abatement by, or at the direction of, the Enforcing officer. An owner or occupant abating unlawful marijuana cultivation hereunder shall notify the Enforcing officer upon completion of abatement. Abatement shall not be deemed completed until the unlawful marijuana has been completely removed from the Premises and destroyed and notification of such has been provided as set forth in this Section. Such abatement by any owner or occupant shall not impair the Enforcing officer's ability to impose an Administrative Penalty accrued prior to such abatement.
2. Notwithstanding the foregoing, whenever the Enforcing officer becomes aware that an owner or occupant has failed to abate any unlawful marijuana cultivation within two

calendar days of the date of service of the decision of the hearing officer requiring such abatement, the Enforcing officer may enter upon the property and abate the nuisance by county personnel, or by private contractor under the direction of the Enforcing officer. The Enforcing officer may, but need not, apply to a court of competent jurisdiction for a warrant authorizing entry upon the property for purposes of undertaking the work, if necessary in his or her sole discretion.

3. If a violation is corrected pursuant to an abatement order, either by the owner, occupant, or the County, and the same conduct is committed within 45 days of correction, the violation will be deemed continuing and immediate fines will be incurred dating back to the date of original abatement order.
4. The owner and/or occupant of the property shall be responsible for paying all of the County's Abatement Costs. Each department performing abatement activities shall, upon completion of the activity, report Abatement Costs to the Task Force.

G. Liability for Abatement Costs and/or Administrative Penalties; Interest.

1. No Person or entity owning, leasing, occupying or having charge or possession of any Premises within the unincorporated area of the County of Yolo shall cause, permit, maintain, conduct or otherwise suffer or allow a public nuisance as defined in this Chapter to exist. It shall be the duty of every owner, occupant, and person that controls any land or interest therein within the unincorporated area of the County of Yolo to remove, abate, and prevent the reoccurrence of the public nuisance upon such land. Such duty of an owner shall exist regardless of whether the owner is in actual possession of his or her real property, and may include an obligation to take action to evict or otherwise remove an occupier who creates a public nuisance upon the owner's property. Nothing in this Chapter shall be deemed to authorize or permit any activity that violates any provision of State or federal law.
2. In any enforcement action brought pursuant to this Chapter, whether by administrative proceedings, judicial proceedings, or summary abatement, each person who causes, permits, suffers, or maintains the nuisance to exist shall be personally liable for:
 - a. All costs incurred by the County, including, but not limited to, Abatement Costs and any and all costs incurred to undertake, or to cause or compel any responsible party to undertake, any abatement action in compliance with the requirements of this Chapter, whether those costs are incurred prior to, during, or following enactment of this Chapter.
 - b. Any Administrative Penalty imposed pursuant to this Chapter. In the event that an Administrative Penalty is imposed on two or more persons for the same violation, all such persons shall be jointly and severally liable for the full amount of the Administrative Penalty imposed. Payment of administrative penalties does not excuse or discharge any continuation or repeated occurrence of the violation that is the subject of the Notice. Payment of the administrative penalty does not bar the County from taking any other enforcement action regarding a violation that is not

corrected.

3. Interest shall accrue on all amounts due under this Chapter, from the effective date of the decision to the date paid pursuant to the laws applicable to civil money judgments.
4. At such time as the information becomes known, the Enforcing officer shall make a demand for Abatement Costs and/or accrued Administrative Penalty by issuing an invoice to the owner(s) and/or occupant(s) of the Premises subject to enforcement action.
5. Whenever the amount of Abatement Costs incurred by the County to abate the nuisance, or the amount of any Administrative Penalty imposed pursuant to this Chapter has not been satisfied in full within ninety calendar days after service of the invoice, and/or has not been timely appealed to the Superior Court in accordance with Government Code section 53069.4, subdivision (b), or if appealed, such appeal has been dismissed or denied, all or any part of, this obligation may constitute a lien against the real property on which the violation occurred.
6. In addition to any other remedy, the County may prosecute a civil action through the Office of the County Counsel to collect any Abatement Costs and/or any Administrative Penalty imposed pursuant to this Chapter.

H. Lien Hearing.

At such time as Abatement Costs and/or Administrative Penalties due and owing have not timely been paid:

1. The Enforcing officer shall prepare and file a written report of Abatement Costs and/or Administrative Penalties ("Report"), itemized by property, with the Clerk of the Board of Supervisors stating, as applicable:
 - a. For each abatement carried out, the amount of all accrued Abatement Costs, and/or
 - b. For each accrued administrative penalty, the amount of delinquent administrative penalty.
2. Upon receipt of the Report, the Clerk of the Board of Supervisors shall serve a written Notice of Hearing on Report of Abatement Costs and/or Administrative Penalties.
3. At the time and date set for the lien hearing, the Board of Supervisors shall meet to review and consider the Report and any protests or objections to it.
4. At the conclusion of the lien hearing, the Board of Supervisors shall make such modifications to the Report as it deems necessary and thereafter shall adopt a resolution confirming, modifying, or discharging the lien amount. As part of the resolution, the Board of Supervisors may order that all or any part of the cost to abate the nuisance pursuant to this Chapter, including the Abatement Costs, as confirmed

by the Board of Supervisors be placed upon the county tax roll by the County Auditor as special assessments against the respective parcels of land, or placed on the unsecured roll, pursuant to section 25845 of the Government Code; provided, however, that the Abatement Costs, including the cost of administration, as finally determined shall not be placed on the tax roll if paid in full prior to entry of said costs on the tax roll.

5. The liens provided herein shall have no force and effect until recorded with the County Recorder. The Board of Supervisors may cause notices of abatement lien and/or notices of administrative penalty lien to be recorded against the respective parcels of real property pursuant to section 25845 of the Government Code. Upon recordation, the Clerk of the Board of Supervisors shall serve, in the manner set forth in Section 5-20.11(A)(2), a copy of the recorded notice(s).
6. Within 30 calendar days following the Board of Supervisors' adoption of a resolution imposing a lien, the Clerk of the Board of Supervisors will file same as a judgment lien in the Yolo County Recorder's Office.
7. Once recorded, any costs or penalties not specially assessed by the Board of Supervisors pursuant to this Section shall have the same force and effect and priority of a judgment lien governed by the provisions of Code of Civil Procedure section 697.340, and may be extended as provided in Code of Civil Procedure sections 683.110 to 683.220, inclusive.
8. Interest shall accrue on the principal amount of any lien remaining unsatisfied at the rate set forth in Civil Code section 685.010.
9. Once the County receives full payment for outstanding principal, penalties, and costs, the Clerk of the Board of Supervisors will record a notice of satisfaction. A fee shall be paid by the owner(s) and/or occupant(s) for processing the notice of satisfaction. This notice of satisfaction will cancel the County's lien under this Section.
10. The lien may be foreclosed and the real property sold by the filing of a complaint for foreclosure in a court of competent jurisdiction, and the issuance of a judgment to foreclose. There shall be no right to trial by jury. The County shall be entitled to its attorneys' fees and costs.

H. Alternative Hearing Procedure.

If a hearing officer has been appointed in accordance with Section 5-20.11(D)(1) of this Chapter, the hearing officer is authorized to conduct the hearing required under paragraph (G) [Lien Hearing] above and shall prepare a recommended decision and resolution for the Board of Supervisors pursuant to Government Code sections 25845 and 27721. The recommended decision and resolution shall include any proposed modifications to the Report. The hearing officer shall promptly submit that recommendation and the administrative record to the Clerk of the Board of Supervisors. The Board of Supervisors may

adopt the recommended decision and resolution without further notice of hearing, or may set the matter for a de novo hearing before the Board of Supervisors. In the event that the Board of Supervisors sets the matter for de novo hearing, such hearing shall be held in accordance with the provisions of paragraph (G) [Lien Hearing] above.

Section 5-20.12 Administrative Penalties.

- A. In addition to any other remedies provided by County Code or state law, and all other costs, fees, penalties and expenses which may be assessed or imposed as a result of violation of this Chapter, any person who violates any provision of this Chapter, including the owner of the Premises, shall be liable and responsible for, and shall pay to the County the following penalties (“Administrative Penalties”), as determined by the Enforcing officer:
 - 1. Up to \$500 per plant, per day; or
 - 2. Up to \$25 per square foot of Garden canopy that exceeds the Garden canopy allowed by License or applicable law.
- B. Administrative Penalties shall begin accruing three days after date of service of a Notice and continue for each day that the violation continues.
- C. At the nuisance abatement hearing, the hearing officer shall determine the total amount of Administrative Penalties that have accrued as of the time of the hearing, and that amount shall be reflected in the decision and awarded to the County. If at the time of the hearing the nuisance has yet to be abated, the decision shall state that Administrative Penalties shall continue to accrue until the nuisance is abated.
- D. In determining the amount of the Administrative Penalty, the hearing officer, or the court if the violation requires court enforcement without an administrative process, shall take into consideration the nature, circumstances, extent, and gravity of the violation or violations, any prior history of violations, the degree of culpability, economic savings, if any resulting from the violation, and any other matters justice may require.
- E. The Administrative Penalty may be imposed via the administrative process set forth in this Chapter, as provided in Government Code Section 53069.4, or may be imposed by the court if the violation requires court enforcement without an administrative process.

Section 5-20.13 Summary abatement.

- A. Notwithstanding any other provision in this Chapter, when any unlawful marijuana cultivation constitutes an immediate threat to the public health or safety, and where the procedures set forth in Sections 5-20.11 would not result in abatement of that nuisance within a short enough time period to avoid that threat, the Enforcing officer may direct any officer or employee of the County to summarily abate the nuisance. The Enforcing officer shall make reasonable efforts to notify the persons identified in Section 5-20.11(A) but

the formal notice and hearing procedures set forth in this Chapter shall not apply. The County may recover its costs for abating that nuisance in the manner set forth in this Chapter.

- B. Without limitation to any other unlawful marijuana cultivation constituting an immediate threat to the public health or safety under this Section, Marijuana cultivated in violation of Section 5-20.05(A)(1) of this Chapter is deemed an immediate threat to the public health or safety and may be summarily abated.

Section 5-20.14 Non-exclusive remedy.

This Chapter is cumulative to all other remedies now or hereafter available to abate or otherwise regulate or prevent public nuisances.

Section 5-20.15 No Vested or Non-conforming Rights.

Neither this Chapter nor any other provision of this code, or action, failure to act, statement, representation, certificate, approval, or license issued by the County or its departments, or their respective representatives, agents, employees, attorneys or assigns, shall create, confer, or convey any vested or nonconforming right or benefit regarding any marijuana cultivation or other commercial marijuana activity.

Section 5-20.16 Nursery and Processing Facilities.

- A. Notwithstanding any other provision of this Chapter, the Board of Supervisors may approve a Nursery License or a Processing License. By resolution or minute order, the Board of Supervisors shall establish the maximum number of Nursery Licenses and Processing Licenses that may be approved pursuant to this Section. The Board of Supervisors may increase or decrease the maximum number of such licenses from time to time in its sole discretion.
- B. The Board of Supervisors may approve a Nursery License or Processing License upon determining as follows:
 - 1. The applicant complied with all aspects of the competitive solicitation process undertaken by the County Administrator's Office in connection with Nursery and Processing facilities; and
 - 2. Issuance of the proposed license would not result in an exceedance of the maximum number of authorized Nursery or Processing facilities; and
 - 3. The proposed license complies with all provisions of this Chapter relating to state and local agency approvals (excluding only the October 11, 2016 deadline for coverage under Regional Board Order No. R-5-2015-0113), location restrictions, and or applicable testing requirements; and

4. Unless determined to be exempt, the application has been reviewed in conformance with the California Environmental Quality Act; and
 5. All aspects of the proposed license are consistent with the protection of public health, safety and welfare.
 6. If an applicant for a Nursery License or Processing License proposes a development agreement pursuant to Government Code Section 65864 et seq., all aspects of the content, review, and approval of the development agreement shall comply with applicable provisions of state law. Provisions of Title 8 of the Yolo County Code relating to development agreements, including but not limited to Chapter 5 thereof, shall not apply to development agreements proposed in connection with Nursery and Processing facilities.
- C. Following issuance, unless otherwise specified in an approved development agreement, all matters relating to the expiration, administration, renewal, enforcement, and revocation of licenses under this Chapter shall apply to a Nursery License or Processing License.

5-20.17 Severability.

If any clause, sentence, paragraph, subdivision, section or part of this Chapter or the application thereof is for any reason held to be unconstitutional or otherwise invalid by any final court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the remaining portions of this Chapter.

Section 5-20.18 Sunset Provision.

- A. Repeal. This Chapter shall be automatically repealed and be of no further force or effect as of December 31, 2018 unless the Board of Supervisors submits a County tax on commercial marijuana activity to the voters on the June 2018 ballot, the voters approve the tax, and the tax is certified by the County pursuant to Section 15372 of the California Elections Code. Further, this Chapter shall be automatically repealed and be of no further force if such tax is thereafter successfully challenged and repealed or otherwise invalidated.
- B. Grace period. Notwithstanding a repeal pursuant to paragraph (A) above, Licensees may wind-down marijuana cultivation activities conducted pursuant to a License in effect and in good standing as of July 1, 2018, with no modifications to the nature, scope or location of the License, until the date specified below:
 1. Outdoor cultivation – December 31, 2018.
 2. Mixed-light cultivation – December 31, 2019.
 3. Indoor cultivation – December 31, 2020.
